Dear Sir,

Your kind address has been given to me by the British Consul General's Office Chicago and asked me to communicate to you with regard to a collection of coins as per enclosed list which I have sent to exhibit at the Century of Progress International Exposition, Chicago through the British Consul General, Chicago.

I shall feel very grateful if you will kindly take personal interest in this and use your influence in exhibiting it to the best advantage. If it is possible for you to find a buyer for the collection I shall be glad to hear your business proposition. I am prepared to deal with you either as principal or on commission terms.

I shall be glad to hear from you at your earliest convenience in this matter.

Yours faithfully,

July 12, 1933.
